'to know us is to know how'

TechTalk International

'reducing the carbon footprint of overseas consultancy'

TechTalk[©] is an innovative web-based e-advisory and mentoring service for agriculturalists and environmentalists worldwide.

An annual TechTalk[©] subscription offers:

- Unlimited access to the specialist knowledge and expertise for one year for one day's traditional consultancy fee.
- Advice from nationally and internationally respected advisors handpicked from British Universities and Professional Associations.
- Fast, friendly and flexible service that can be used anywhere in the world with Internet access.
- Personalised *question and answer* mentoring especially designed for new projects and programmes.
- Opportunity for a more detailed follow-up through AA International Ltd.
